

# VEHICLE BOOKING INFORMATION

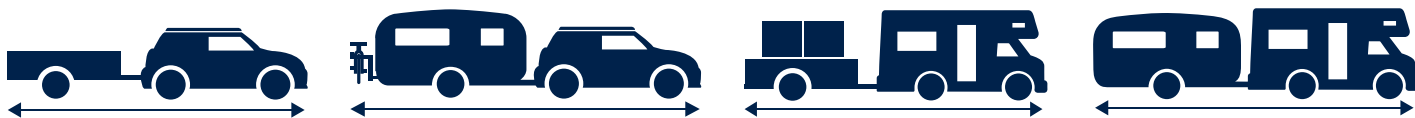

## HOW DO I MEASURE MY VEHICLE?

It is important that you provide the correct length and height for your vehicle at the time of booking, as this will ensure sufficient space is confirmed for your selected sailing. Vehicle measurements are subject to confirmation on check-in and if incorrect you may be required to pay extra for the additional length to be added to your vehicle or if we are unable to accommodate the added length or height of your vehicle this may result in your passage being denied.

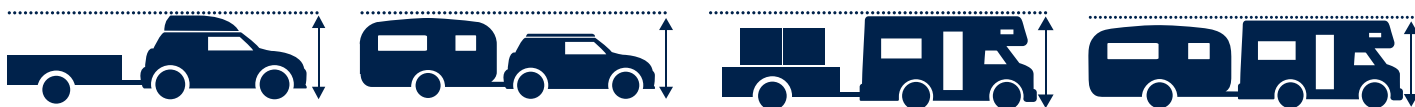

### Measuring length of your vehicle

The total length of your vehicle including towed items (caravan, camper trailer or trailer) and attachments (drawbar, bike racks, gas cylinders etc.) must be included in the total measurement.

### Measuring height of your vehicle

The total height of your vehicle including towed items (caravan, camper trailer or trailer), roof racks and any additional items stored on the roof of the vehicle (kayaks, baggage, bicycles etc.) must be included in the total measurement.

## BEST BOOKING PRACTICE

Book your forward and return sailings at the same time, as this will provide access to Spirit of Tasmania's best available fares and vehicle deck space.

Make sure you have full details of your vehicle ready at the time of booking to assist in completing your booking quickly.

- Vehicle make / model / year
- Vehicle registration number
- Total height (including load i.e. roof racks)
- Total length (including load i.e. bike racks)

## HOW FAR IN ADVANCE SHOULD I BOOK WHEN TRAVELLING WITH AN RV OR TOWED VEHICLE?

It depends on the time of year but if your required date of travel coincides with school holidays, Christmas or Easter and your travel dates are not flexible, then 10 to 11 months is recommended. If your travel dates are flexible then you can reduce this lead-time to approximately 8 to 11 months.

It should be noted there are also peak times twice each year; May to July Devonport to Melbourne and August to November Melbourne to Devonport.

Generally, booking as early as possible will provide you with a greater choice and availability.

Note: Spirit of Tasmania opens booking inventory approximately 11 months in advance.

## WILL THERE BE ANY SCHEDULE CHANGES IN THE NEAR FUTURE SUCH AS EXTRA DAY SAILINGS OUTSIDE PEAK PERIODS?

From time to time day sailings are added throughout the year to meet demand so it's always best to check the latest schedule, please visit [spiritoftasmania.com.au/sailing-fares/sailing-schedule](https://spiritoftasmania.com.au/sailing-fares/sailing-schedule).

## SAILING BETWEEN GEELONG AND DEVONPORT SPRING 2022

Spirit of Tasmania's Victorian terminal is moving to Geelong in spring 2022.

Sailings between 1 September 2022 and 31 December 2022 are scheduled to depart/arrive at Station Pier, Port Melbourne, but may be amended to depart/arrive at Corio Quay, Geelong.

Sailings from 1 January 2023 onwards are scheduled to depart/arrive at Corio Quay, Geelong.
