STRATEGIC DIRECTION

TT-Line aims to provide a Bass Strait service built on a reputation for excellence in safety, reliability and exceptional passenger and freight services.

The Company aims to maximise value and deliver consistent financial results by:

- maintaining a best practice approach to its safety culture;
- profitably increasing passenger numbers and maintain freight TEUs;
- competitively differentiating service based on passenger experience and exceptional customer service;
- focusing on reducing operational costs and market testing supplier costs;
- optimising vessel utilisation and schedule optimisation; and
- training, developing and rewarding staff.

The Company's strategy is aligned with the Government's policy objectives to support tourism and prioritise passenger growth, while retaining freight capacity.

TT-Line also has a Community Service Obligation (CSO) with regard to the funding of North Melbourne Football Club Sponsorship. This Obligation represents a contribution of approximately \$0.9m per annum from 2016/17 for a period of 5 years.
